Opening Soon ...

Aladdin

Shorecrest High School

Shorecrest students are currently selling tickets for their spring musical. This year they are performing Disney's Aladdin. I would highly recommend any of Shorecrest shows. They do a great job. Performances start on May 12 and run through the 21st. Tickets are available at 3rd place and by phone 206-393-6224.

Spring is Here! Clothing Reminders

Spring clothes can be tricky at school. Please make sure your children are dressed in clothes that they can be comfortable in. Layers are great at this time of the year. Our classroom tends to start out chilly, while the playground gets warm. Shoes need to be appropriate too- remember we go to PE. Sleep is important at this time of year. We are moving at a very fast pace! Make sure your little one gets plenty of rest so that they are ready for school.

Volunteers Needed

International District Field Trip

We will be traveling to the International District by bus on Friday May 5th. We are in need of 6 chaperones. We will only be taking six chaperones per class we cannot accommodate more on this field trip. **YOU MUST BE IN K-2 BY 8:45 IF YOU ARE NOT HERE AT 8:45 YOU WILL NOT GO WITH US.** We must give very specific directions for this trip. It is imperative that you are here on time. Chaperones will travel with us on the bus to destination. We will be back at school by 1:00. Chaperones will need to send a check made out to Brookside for \$5.75 this will pay for your lunch at Bush gardens (students have already paid). If you would like to join us on this field trip please return the form below no later than Tuesday April 25th. Field trip permission slips will be due on Thursday April 27th. Students will not need to bring lunch to school on May 5th. You may want to send a snack for your child for that afternoon.

Yes, _____ would like to go on the International District Field Trip I will be in K-2 by 8:45 I understand that if I am not there by 8:45 I will not be going on the trip.

Schedule Changes

This time of year brings many schedule changes. The third thru 6th grades are doing WASL testing for the next three weeks. To help those students do their best we switch our music and PE times. Because of that please watch the calendar very carefully.

Donation Request

I am in need of a class set of cookie sheets. We will be using these as word building boards. I need a jellyroll sheet (a cookie sheet with rims) that measures 12x19. If you would like to donate 1 or more that would be great!

Conferences Wrap-Up

Thank you to all that were able to make it to conferences. I always enjoy meeting with you.
