Back to School Night

Please make sure and join us for back to school night next Thursday (9/21). This is an important night for parents to hear all the ins and outs of Brookside and kindergarten. Many of your questions will be answered. This is an evening for adults only.

Name The Names

We will be starting a program called name the names. Each child will bring home an envelope full of pictures, compliments and a puzzle1e. We do this as a group to get to know each other.

Class Website

My husband graciously runs and maintains our classroom website. You will find current and past gingham gazettes, a class calendar and other fun tidbits. This is a great way to get information about our classroom.

Housekeeping

Lunch: Lunch has gone up in price this year. Lunch can be purchased for $2.25. Please put money on your child's lunch account. If you would like to put money on your child's account please put a check in their folder. Make checks payable to Shoreline school district or Brookside Elementary. On the check please indicate your child's name and that the check is for lunch.

You may have a hungry child! It is very typical for your children to not eat all of their lunch the first couple of weeks of school. They are anxious to get out and play and lots of things are going on in the lunchroom.

Snack: We do not have a formal snacktime in our classroom. Your children are welcome to have a snack during our playtime as long as it is not something that is spillable.

Tardies: If your child arrives late to school, please have them check in at the office. If our exterior door is closed they need to go to the office to check in.

Notes: Notes are the best way to contact me. . Please send notes to tell me if there is a change in going home routine, changes at home that could affect your child etc. etc

Voicemail: Voicemail is not a good way to contact me. I am awful about checking voicemail! A better way to contact me is through email (kim.stockamp@shorelineschools.org)

Absence: If your child is absent please call the office to inform them of the absence.

Thank you so much for your understanding at this sad time for my family.

It was a very difficult decision to go to Iowa at this time of the school year. We had a wonderful celebration of my grandmother's life. I am glad to be back at Brookside working with your children. I look forward to a great year.
