## Conferences and Report Cards

Many thanks to Judi Guerrero for making all conference phone calls. If you have not scheduled a conference yet please call the school (206-368-4140) immediately to do so.

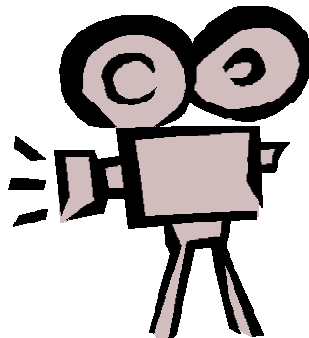

I am anxious to meet with you to discuss your child's progress. Conferences are for parents only. This is our time to discuss your child's progress.

Please bring any questions about the report card to the conference with you.

## Brookside Kid News on TV and on your Computer!

You can watch the Brookside Kid News at home on Shoreline School District cable (channel 26) on Tuesdays, Thursdays, Saturdays and Sundays at 11am and 4pm.

Current and previous episodes are also available on the Brookside website.

## Zoo Field Trip

We went to the zoo, zoo, zoo! A great big thank you to our chaperones: Kelly Haddenham, Katie Moore, Ralph Radford, LoAnn Le, Jean Alexander, Tara Hicks and Cathy Petersen, and Pam Koss.

**Chaperones:** If you took any pictures I would love to have a copy of them. If you used a digital camera I would love to have a CD with pictures. If you used a film camera I would like to borrow your prints and scan them. I would get them back to you quickly. Your help is great appreciated!

## Changes After Spring Break

When school resumes our class' schedule will be changing frequently to accommodate WASL testing. In order to best serve the grade levels that are participating in the testing our class' activities such as PE and Music will be moving to different times. We are going to have to be flexible with our day. You may notice that your child seems a little flustered with all of the frequent changes.

Have a wonderful vacation with you children.
