### HELP!!! Gift Baskets

Yikes! - gift basket items are due no later than Thursday November 18<sup>th</sup> and we currently have 3 items. We have 1 book and 2 candles. If we do not get more items, I will return the items that have been given to the families who have donated and withdraw our names from the auction this year.

## Wood Project Update

Thank you to the Koch family! They have donated all of our wood- cut it and bagged it.

Your child will be bringing home wood to create a project with you. Each child has similar pieces, but what they do with those pieces is up to each family. As a family, please build something great. Please stain/paint/decorate the final project. These projects will be due starting the week of November 30<sup>th</sup>. Your child will bring their completed project on their newstelling day. Be creative, have fun and be careful!

## Conferences

Conferencing will be taking place in December. Kindergarten does not meet with all parents during this time. In the next few weeks, Sue Woodbury or Judi Guerrero may be calling you to set a conference time.

If you do not get a call, do not panic. If you do get a call, do not panic. Generally, I try to meet with parents with whom I have not had a chance to touch base. I also like to meet with parents of children with whom I would like to acquire more information.

You will notice that I will be doing evening conferences on a different evening than the rest of the school. I have a prior commitment on the 16<sup>th</sup> and will be holding my evening conferences the evening of December 15<sup>th</sup>.
